| 17:30 |   |  |   |   |   |
| 17:30 |   |  |   |   |   |
| 18:00 |   |  |   |   |   |

## Courses List

| Date                  | Number     | Section | Course title                                | Teacher               | Hours |     |     |
|-----------------------|------------|---------|---|-----------------------|-------|-----|-----|
|                       |            |         |   |                       | Th    | Lab | Wrk |
| from Jan-20 to May-12 | 201-202-VA | 00001   | Math for Computer Engineering Technology II | Evgenij Kritchevski   | 3     | 2   | 2   |
| from Jan-20 to May-12 | 247-205-VA | 00002   | Circuit Analysis and Simulation II          | Manijeh Khataie       | 2     | 3   | 2   |
| from Jan-20 to May-12 | 247-207-VA | 00001   | Computational Logic Circuits                | Day Yann Fong         |       |     |     |
| from Jan-20 to May-12 | 247-208-VA | 00002   | Embedded Systems Programming                | Subash Handa          | 2     | 3   | 2   |
| from Jan-20 to May-12 | 345-102-MQ | 00001   | Worldviews and the Good Life                | Andrew Noel Blakeslee | 3     | 0   | 3   |
| from Jan-20 to May-12 | 370-HSF-VA | 00002   | Unlocking the World Spirit                  | Sevak Manjikian       | 3     | 0   | 3   |
| from Jan-20 to May-12 | 602-101-MQ | 00003   | Loin des idées toutes faites                | Odette Melançon       | 2     | 1   | 3   |
| Total:                |            |         |   |                       | 17    | 12  | 17  |
